SOURCE: The Office of Registrar, American University of Armenia, 2010

NOTE:

For Engineering College¹: Background degrees related to engineering (engineering, mathematics, science, economics) are not considered as change of major.

For CHS : Health professions programs (medicine, dentistry, veterinary medicine) or degree in natural sciences or social sciences discipline are not considered as change of major.

For PSIA : Background degrees in political science, international affairs, and history are not considered as change of major.

For SBM : Background degrees related to accounting, finance, and economics are not considered as change of major.

For DEP : English language background is not considered as change of major.

1. The coding for Engineering and Public Health Programs was defined based on college-specific admission requirements stated in the Catalog.
