

## FACULTY SENATE COMMITTEES

### **Budget and Planning Committee**

The Faculty Budget and Planning Committee serves an advisory role to the Faculty Senate and through the Senate to the administration in matters pertaining to the university-wide budgeting. The Committee also serves as a conduit for calling to the attention of the administration and faculty budgetary issues and for providing information between faculty and administration about overall financial position of the university. The focus of the Committee is to review budgetary decisions of university-wide significance.

### **Ethics and Grievance Committee**

The Ethics and Grievance Committee of the Faculty Senate shall have jurisdiction [or authority] to review, advise, and make recommendations on policies regarding ethical behavior, and to hear and resolve appeals brought by any member of the university against any other member of the university regarding violations of any of the various codes and policies of the university.

## **Extension Committee**

The Committee on Extension Programs supports and advances the mission of the University to provide continuing and community education and training through the AUA Extension Program that meets the public's needs, complies with AUA standards, and exemplifies AUA's contribution to society. The Committee on Extension Programs advises the President, Provost, Academic Programs, and Faculty Senate regarding the activities, programs and policies of the Extension Program. The Committee audits and advises the Extension Program regarding its programs and policies. The Committee drafts policies regarding the oversight and development of the Extension Program.

## **Faculty Affairs Committee**

The Faculty Affairs Committee serves the needs of full-time and adjunct faculty as well as researchers with a focus on their welfare. Tasks of the Committee include the areas of recruitment, retention, promotion, and evaluation; professional development; research; academic freedom; support for international faculty and their families and so on.

## **Operations and Facilities Committee**

The Operations and Facilities Committee is responsible for reviewing and proposing policies and procedures related to university facilities and services such as building and ground needs, space utilization, supplies and equipment, and parking and traffic problems.

## **Student Affairs Committee**

The Student Affairs Committee supports faculty and administration with respect to admission, learning, teaching, assessment, and evaluation matters. The Committee reviews and proposes policies and procedures related to the above matters. As such, the Committee works in close relationship with faculty, academic programs, Institutional Research Office, Undergraduate and Graduate Admissions Committees, Center for Student Success, and other related administrative units.

## **Academic Standards Committee**

- Reviewing and recommending policies on academic honors, awards, grading, and standards in line with AUA's Policy on Policies.
- Implementing regulations involving academic probation and dismissal.
- Establishing procedures for the reinstatement of former students.
- Considering all requests for exceptions to the established academic standards.

The Academic Standards Committee will also carry out such other duties as may be assigned to it by the Faculty Senate and University Administration.

## **Standing Committee on Student Conduct and Ethics Procedure Regulation**

Within the scope of the Student Code of Conduct, the Standing Committee on Student Conduct and Ethics shall hear claims and make recommendations to the President regarding resolution of claims brought by any member of the University that are deemed to warrant further investigation.
